Feel at ease with a unique and contemporary wedding ceremony. There are an abundance of luscious and beautiful locations and venues to choose from in Southern Queensland and Northern NSW

- Make your day an occasion to remember forever
- I will craft a unique and memorable wedding ceremony
- All the legal documents supplied and looked after
- All meetings and travelling costs included in the fee
- A 100 watt portable PA to provide a clear ceremony
- PA can play recorded or live music without power
- A decorated signing table is supplied if required
- A special decorative wedding certificate to take home
- Renewal of Vows
- Naming Ceremonies
- Full time professional Celebrant

I will take care of all the ceremony details so you can feel relaxed on your memorable day. I will arrive 30 minutes prior to the ceremony. I will deliver the ceremony with clear diction and a PA that will allow everyone to hear. There will be no surprises.

My attitude is that the wedding ceremony is all about you. I am there to deliver a heartfelt and genuine ceremony for you and your partner and not to take centre stage. This is my full time profession and I am passionate about giving you the best of my service.

The little details

- I will give you a selection of wedding vows to either choose from or gain some inspiration to write your own. I can guide you through this process.
- I will also give you a selection of ring vows to choose from.
- A selection of readings that you might like or you can source your own
- Music can be played through my PA for the entrance or prologue to the wedding and then at the signing at the end of the ceremony.
- All the legal documents and details are taken care of and all you need do is sign your name.
- My quotes are reasonable and initial meetings are non obligatory.
- Lets meet for a coffee and a chat.
